

# WABC Health and Wellbeing Policy

## **Purpose**

To provide an enjoyable, healthy and safe environment for all players

## **Policy Statement**

- Avoid coming to the club for any reason if you have a fever, feel unwell, have a sore throat or cough or any other symptoms consistent with infection
- Sanitise hands upon entering the club, between movements after handling the boards and Bridgemates, and before entering the recreation area
- Practice appropriate social distancing and recognise the needs of some people to extend their social distance
- Wash and disinfect hands after using the restrooms
- Maintain good personal hygiene
- Avoid the use of heavily scented perfumes or lotions that may cause an allergic reaction in fellow players
- Adhere to the Etiquette guidelines and Behaviour of Players Policy

## **Implementation**

These guidelines apply to all players, visitors and workers in the club. If you feel that someone is breaching this policy then please inform a member of the Management Committee in writing. (Management committee@wabridgeclub.com.au)

The Management Committee will follow the appropriate protocols in response to the complaint according to the Constitution.

You will be informed when the matter has been addressed.
