

POLICY STATEMENT

PROVISION AND USE OF DUTY PARTNER

Purpose

To provide a short term partner for those members whose partners are unable to play on the day, for those members new to the club who have yet to establish a permanent partnership and for visiting players including those from the country, interstate or overseas.

Policy Statement

The club will provide a Duty Partner for the Saturday 1:30pm session and any other such session the Management Committee deems necessary from time to time.

Implementation /Scope /Roles and Responsibilities

The Duty Partner is available to any one player for **no more than three (3) sessions** during the calendar year. The Director of the session will record the number of times the Duty Partner has played with a member or visitor and inform the Executive Officer whose tasks will be to alert:-

- The player when their permitted number of sessions has expired.
- The Director of the session and members on the Duty Partner Roster when a particular player has exhausted their entitlement.
